

TimberClean™ DAILY

Water-Based Wood Floor Cleaner

TimberClean Daily is designed for use as a daily spot cleaner on wood floors. Its specialized formula effectively cleans soiled areas without damaging the finish or penetrating the wood.

- Safe for daily use on wood floors and most coatings.
- Custom surfactant blend that leaves no residue while effectively removing dirt.
- Environmentally friendly formula is solvent free.
- Moisture evaporates quickly to prevent water damage.
- Packaged in a convenient, ready to use, 1 quart spray bottle.

DIRECTIONS

Read all directions and Safety Data Sheets (SDS) before using.

Directions For Use:

1. Vacuum or sweep the floor, making sure to remove all loose debris.
2. Spray a light mist of TimberClean Daily directly onto the portion of wood floor that is soiled, or spray TimberClean Daily directly onto the mop cover or microfiber pad that will be used for cleaning.
3. Use the mop or microfiber pad to apply the cleaner to the floor in a back and forth motion. Work in small areas, being sure to finish one area before moving to the next. Rinse the mop or cleaning pads often to avoid streaking. Replace pads and the mop head as needed.

TimberClean is safe for use on wood floors finished with a polyurethane or acrylic wood coating. Do not use on floors coated with paste wax.
