

AMERICAN 12

Drum Sander

Wood Floor Sanding

- 1 Dynamically balanced drum reduces chatter marks.
- 2 Rugged cast aluminum frame.
- 3 Powerful, fully enclosed, 2.2 kW continuous motor.
- 4 Drum lowering control includes a feathering handle.
- 5 Adjustable sanding pressure.
- 6 Trailing cable support keeps the power cord away from the cutting path.
- 7 Full width front bumper.
- 8 Large capacity bag holds up to 113 liters of dust.

PRODUCT DESCRIPTION

The American 12 Drum Sanders represents the worldwide benchmark for professional drum sanding equipment. The rugged cast aluminum construction, powerful motor and unique operating and drum leveling controls combine to make them most aggressive and productive drum sanders available.

RECOMMENDED PRODUCTS

AVAC dust containment systems are the perfect mix of power and portability. At 115 and 53 liter capacities, both models are easy to transport and are available with optional H.E.P.A. filters.

Our water-based TimberGuard line of floor coatings, cleaners, and sealers offers superior protection for your hardwood floors.

The Super 7R is a powerful, versatile, and easy to use wood floor edger.
